PROFESSIONAL EXPERIENCE

Data Analyst Intern | Cadence Technologies, Austin, TX
February 2024 – November 2024

- Analyzed customer engagement metrics using SQL and Tableau and created weekly reports to identify trends and refine marketing strategies
- Coordinated with a team of data analysts to develop automated dashboards, reducing report generation time by 30% and improving data accessibility for the sales team
- Collaborated with marketing and sales teams to derive actionable insights, supporting a data-driven approach to product launches

Data Analytics Intern | Whole Foods Market, Austin, TX
July 2023 – January 2024

- Collected and interpreted data on customer purchasing trends to support inventory management decisions, contributing to a 7% reduction in stock shortages
- Produced data visualizations in Python and Power BI, presenting findings that improved stakeholder understanding of seasonal demand fluctuations
